WARNING

Failure to follow these warning and the instructions could result in serious injury or death.

THIS PRODUCT REQUIRES ADULT ASSEMBLY.

Setting Up the Playard

- Avoid pinching injury when setting up product.
 - Keep fingers clear of corners during setup.
 - Keep children away from product during setup.
- To avoid injury, the playard must be erected and fully assembled prior to use. Top rails must be locked in the upright position, the center of the floor is pushed down, and all straps are securely fastened. **NEVER** use the mattress pad cover without the mattress pad. Always follow the instructions in the owner's manual to set up the playard.
- **NEVER** use this product if there are any missing or damaged parts, including, but not limited to, loose or missing fasteners, loose joints, or torn mesh/fabric. Check before assembly and periodically during use. Contact Korbex online at www.korbexbaby.com or call 1-888-608-7726 for replacements parts and instructions if needed. **NEVER** substitute parts.

Using the Playard

- The playard is for sleeping or playing. You **MUST** always provide the supervision necessary for the continued safety of your child. **NEVER** leave child unattended.
- Keep playard away from hazards in the area, **NEVER** use product near objects that child could reach or pull into product and cause injury.
- When child is able to pull to standing position, remove large toys and other objects that could serve as steps for climbing out.

WARNING

- Discontinue use of this product when your child reaches 35 in. (89 cm) in height, weighs more than 30 lbs (14 kg), or is able to climb out.
- **DO NOT** attach additional items to the playard that are not listed in the owner's manual.
- Child can become entrapped and die when improvised netting or covers are placed on top of a playard. Never add such items to confine child in playard.
- NEVER leave child in playard with the sides down. Make sure sides are raised and in locked position whenever child is in the product.
- **DO NOT** use with more than one child at a time.
- If refinishing, use a nontoxic finish specified for children's products.

Avoiding Suffocation Hazards

- The playard mattress pad is designed to prevent suffocation. The mattress pad is a certain size and thickness to meet safety standards. Using a thicker or a different sized mattress pad may cause suffocation.

Infants Can Suffocate

- In gaps between a mattress too small or too thick and product sides.
- On soft bedding.
- **NEVER** add a mattress, pillow, comforter, or padding. Use **ONLY** mattress provided by Korbex International.
- To reduce the risk of SIDS, pediatricians recommend healthy infants be placed on their backs to sleep, unless otherwise advised by your physician.
- **NEVER** use plastic shipping bags or other plastic film as mattress covers, they can cause suffocation.
- Prevent possible suffocation or entanglement. Never use a playard sheet unless it fits securely on mattress pad.
- **NEVER** use a water mattress with the playard.

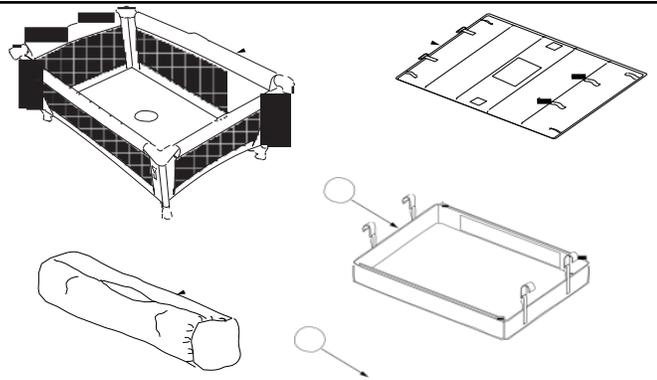

WARNING

Avoiding Strangulation Hazards

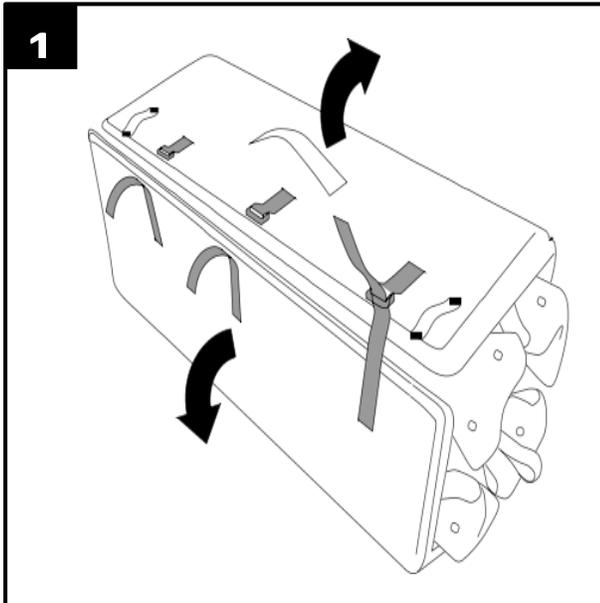

- Strings and cords can cause strangulation. Keep strings and cords away from child.
 - **DO NOT** place playard in any location where there are cords such as window blind cords, drapes, phone cords, etc.
 - **NEVER** place items with a string around a child's neck, such as hood strings, pacifier cords, etc.
 - **DO NOT** suspend strings over product or attach strings to toys.
